Ready.....Set.....EXPLORE!!!

Solar Energy

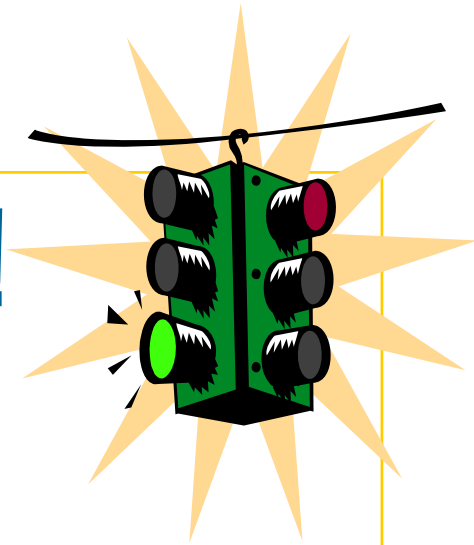

The program is designed for students to learn while having fun. While performing hands on experiments and learning about careers in the energy field, students will gain valuable knowledge to prepare for their future!

The concept is to expose high school students to the possibility of good paying, high-skill jobs in the energy industry.

Fossil fuels started to form way before dinosaur times!

Explore:

- Alternative Sources of Energy
Hydroelectricity
Wind Energy
Solar Energy
- Transportation Fuels
Hybrid Electrics
Ethanol
Biodiesel
Hydrogen
- Energy Conservation

Alternative Energy Sources

Learn about the energy industry this summer!

What: Energy Adventure Academy

For: Girls and Boys in or entering 9th or 10th grade in High School

When: Two weeks in July
Monday through Thursday (8:00—5:00)
July 12th through 22nd

Where:
Southeast Job Link, Inc.
1200 West 21st Street
Yankton, SD 57078

The cost is \$385.00. Southeast Job Link is working with industry partners to obtain scholarships for the first 20 participants accepted into the camp—a \$350.00 value.

If you are accepted and receive a scholarship, the camp registration fee is \$35.00. Daily snacks, field trips and all supplies including materials for the lab experiments are provided at no additional cost.

Participants should bring a sack lunch with them each day!

Space is limited. Apply today.
